

Employer Stop Loss

PartnerRe Health collaborates with our self-funded clients to help them control costs associated with healthcare by finding the appropriate risk management solutions.

We are committed to helping clients adapt to the changing healthcare environment. Our unique combination of analysis and innovation produces creative, cost-effective solutions for managing medical risk and limiting catastrophic losses.

PartnerRe Health offers tailored solutions to meet your self-funding needs. Our breadth of capabilities allows us to offer customized risk solutions including options such as captive participation and risk sharing.

We value long-term relationships and work closely and collaboratively with our employers, plan sponsors and administrator clients to assist them in navigating market challenges and implementing effective health risk management programs.
