

PULSE + Plus™

Exposure to catastrophic claims is the greatest it's ever been. PartnerRe's PULSE + Plus™ is an integrated, state-of-the-art program that helps clients proactively manage healthcare risk exposures and find optimal solutions for evolving healthcare challenges.

PULSE + Plus™ is invested in and passionate about supporting our clients in mitigating financial risk. We offer customized solutions to meet your unique needs through active engagement, tools, resources and access to specialty service providers. Our team includes nurse clinical consultants, cost containment specialists and transplant network experts. More than just providing a referral, we stay involved throughout the process and suggest comprehensive solutions to generate real savings.

Program Features

In conjunction with our specialty service providers:

- Access to transplant Centers of Excellence
- Transplant contract analysis and placement
- Comprehensive high dollar claim review and negotiation
- Analysis of high dollar specialty pharmaceuticals
- Risk mitigation strategies
- Educational support and webinars on industry trends as well as new and emerging therapies
- Member support for identification of alternative payors
- Network analysis and contract negotiation
- Oncology risk mitigation available within pharmacy management, bill review and negotiation, transplant, alternative payor advocacy, and specialty networks
